► UNIMY

(University Malaysia of Computer Science and Engineering (UNIMY))

- AITU is delighted to announce an exciting partnership with University Malaysia Of Computer Science & Engineering (UNIMY) a prestigious institution in Malaysia for our Dual Degree Programs. This collaboration marks a significant milestone in our commitment to providing exceptional education and expanding global opportunities for our students.
- Through this monumental partnership, we aim to create an environment of academic excellence and innovation, empowering our students to thrive in today's ever-evolving world.
- Our joint efforts will enable us to deliver an unparalleled educational experience that prepares our graduates for successful careers and a future filled with possibilities

Key advantages of this agreement to our students:

Dual Degree Programs:

Our students will gain dual degrees from AITU and University Malaysia Of Computer Science & Engineering (UNIMY).

[LEARN MORE](#)

► Accreditation by MQA:

The degrees earned through this collaboration will be accredited by the Malaysian Qualifications Agency (MQA), a highly recognized accreditation body. This accreditation further enhances the value and credibility of our students' qualifications.

[LEARN MORE](#)

► Recognized by CHEA:

The MQA accreditation holds recognition by the Council for Higher Education Accreditation (CHEA), solidifying the international recognition and acceptance of our students' degrees.

Smooth Credit Transfer:

Our students will now have the opportunity to transfer 100% of their credit hours, streamlining their educational journey. This means they can focus solely on their thesis and dissertation, accelerating their progress towards graduation.

We extend a warm welcome to UNIMY as our esteemed academic partners and are excited to embark on this transformative journey together. This collaboration reinforces our commitment to delivering worldclass education and empowering our students to reach their full potential
